

POLYTURF-PLUS PAD AND POUR

MULTI-PURPOSE SYSTEM

NO TWO ATHLETIC FACILITIES ARE THE SAME. SO WHY SETTLE FOR A ONE-SIZE-FITS-ALL FLOORING SYSTEM?

WITH THE BEYNON POLYTURF-PLUS PAD AND POUR MULTI-PURPOSE SYSTEM, YOU CAN CUSTOMIZE YOUR FLOORING TO FIT YOUR FACILITY'S NEEDS. CHOOSE FROM A VARIETY OF SHOCK PAD THICKNESSES TO ACHIEVE YOUR DESIRED TRAINING AND COMPETING CHARACTERISTICS. WE THEN TOP IT WITH OUR TWO-COMPONENT POLYURETHANE CHOKE COAT LAYER AND A SELF-LEVELING POLYURETHANE WEAR COAT LAYER FOR LONG-LASTING DURABILITY. OUR SINGLE COMPONENT POLYURETHANE MATTE FINISH—IN YOUR CHOICE OF COLORS—ENSURES EASY MAINTENANCE AND OUTSTANDING PHYSICAL PROPERTIES.

- A spray-applied, moisture-cured aliphatic coating provides optimal performance characteristics and stain resistance.
- Gamelines are meticulously applied with chemically bonded, pigmented polyurethane marking paint.
- Specially formulated elastomeric resin gives the surface exceptional ball rebound and durability.
- A patented two-component choke coat layer seals the shock pad's pores.
- The shock pad is pre-manufactured using 100% recycled rubber and polyurethane binder.
- Polyurethane adhesive bonds pad to substrate.

FLOOR COLORS

GAMELINE COLORS

Available in a variety of colors, textures, and thicknesses. Polyturf-Plus Pad and Pour can be designed, manufactured, and installed to meet your unique needs.

CUSTOMIZE YOUR POLYTURF-PLUS PAD AND POUR SYSTEM TO PERFORM UNLIKE ANY OTHER.
